

"We can make a difference once we decide to be the difference."
-- Joyce C. Lock

Cosmic Nudge and Stokes Nature Center Presents

Well Life and Living Green Expo

This exhibition will encourage and educate the community about healthier, more sustainable product choices that will enhance lifestyle, reduce the environmental footprint and to encourage and educate about our connection with nature and our own self healing potential.

Come join in the FUN!

There will be raffles for products and services from our local businesses. You will receive one raffle ticket with entry but can purchase additional tickets at the door.

Exhibitor Categories

Energy efficient
